sqft land listing price

Just listed a beautiful 8.44 acre CPR lot in Manawai Subdivision, one of Maui's north shore premier communities.. It's located on the oceanside of the Hana Hwy.. Lot B, with a beautiful building site, offering oceanviews . This is a ready to build 8.85 acre parcel which already has a building permit. You can build a 1500 sqft cottage on this parcel, add raparound becks, how about a barn. If you like maybe some live stock such as sheep, horses, or a couple head of cattle this is the perfect set up. There is also a riding arena for horses. There really is a lot to see, tach
