An exceptionally rare opportunity to acquire two side-by-side oceanfront properties that creates a private coastal compound in one of South Maui's most coveted enclaves. Positioned approximately 40 feet above a pristine crescent-shaped white sand beach this offering delivers a setting that cannot be duplicated under current coastal regulations. Behind a gated entry, the combined estate offers unmatched scale, privacy, and flexibility ideal as a legacy family retreat, multi-generational compound, or secure oceanfront enclave.
