Remote workers and semi-retirees eyeing an escape from the mainland will find a lot to like in F209 at Maui Kamaole. Both the upstairs primary bedroom and the main floor guest bedroom look out toward Haleakala volcano, and with Hawaii running behind the mainland, early mornings come with a front-row seat to the sunrise over the mountain that most people only see on vacation. The guest bedroom doubles naturally as a home office. Three lanais in total catch the light at different times of day, and the whole unit sits in one of the quietest corners of the
