The house is nestled in front of a pine forest so when you're in the house, you are looking out at the pine trees and the valley below and then the ocean. It is extremely private. There is a downstairs very large primary bedroom and bath with laundry and upstairs are two more bedrooms with a large living room, dining room, and kitchen area. This is a turnkey house ready to move into. The water meter is shared with two other houses but we will install a separate meter and the average
