A true gem of Kihei, this completely remodeled and solar-powered home is 1.5 blocks from the beach with a view of Haleakala from the backyard. A fully fenced-in front and back yard with an additional buffer of a bordering community easement in the back creates a spacious and very private oasis, yet moments away from all the amenities of Central Kihei. This location is unbeatable; close to Kahului and a few minutes to the best beaches Maui has to offer! Inside is turn-key perfection, offering a flexible floorplan to accommodate a variety of needs. 2022,
