Live it now, build big when you want. Here's the rare part: this is the CPR's MAIN-HOME parcel, so it isn't held to the 1,500 sq ft cottage limit. While it already lives beautifully as-is, you have the option to expand the existing home or build a legacy estate. Set on more than two private acres in the coveted Launiupoko hillside, the property delivers exceptional seclusion, no road noise, and sweeping views of the Pacific, the neighboring islands of Lanai and Molokai, and the West Maui Mountains. Built in 2003, the two-bedroom, one-and-a-half-bath, 1,024 sq ft
