Ground floor. "A" building. Nothing between your lanai and the ocean but a stretch of lawn, a line of palm trees, and the tradewinds coming straight off the water. It's the view Wavecrest is known for, and this is the unit that sits right in front of it. The carpet and flooring have been removed in this 1 bedroom, 1 bath, so you're starting with a clean surface instead of someone else's leftovers. Pick your own flooring, your own paint, your own finishing touches, and build the look you want from the ground up. Wavecrest's grounds, pool, and easy access to the East End's beaches
