Spectacular golf course and ocean views set the stage for this executive residence in The Islands gated neighborhood. Slate flooring, soaring ceilings, Plantation shutters and an open-concept design create an impressive first impression, with seamless flow from the living room to the dining area and chef's kitchen featuring a large island, granite countertops, and an inviting sitting area. Just off the kitchen are a versatile bedroom or private office, a pantry, and a full bath with custom tile and granite finishes. Upstairs, stranded bamboo flooring leads to a loft workspace
