Wake up to the sound of the surf and step onto your private lanai to watch early-morning riders catch the break all from this rare, highly updated corner studio on the 5th floor of coveted Lahaina Shores. Positioned at the end of the building, this unit captures something most others simply cannot: a sweeping panorama that stretches from the deep blue of the Pacific and the historic Lahaina Harbor to the north, all the way to the dramatic ridgelines of the West Maui Mountains to the east. Corner placement means an additional bank of windows that floods the space
