Tucked at the end of a quiet Haiku cul-de-sac, this 9,832 sq ft parcel is a rare chance to reimagine a homesite on Maui's lush North Shore. Mature, established trees anchor grounds that were once lovingly cared for and beautifully manicured — the bones of a truly special setting are already here, waiting for a fresh vision. The existing structure is offered in as-is condition, making this an ideal canvas for a renovation or a custom rebuild. Sold strictly as-is; cash purchases only due to property condition. Bring your imagination and create something extraordinary on
