House for Sale in **Central**, Maui | MLS **410810**

16,448 sqft land **2,373** sqft living **6** bedrooms **2** bathrooms **\$1,200,000** listing price

401 Palani Pl sits up in Wailuku Heights, where the elevation brings cooler air and views that stretch out over the ocean and up to Haleakala. Step inside and the vaulted ceilings and open, multi-level layout give the home a scale you don't find in a typical Wailuku property. 6 bedrooms and 2 baths spread across 2,373 sq ft, with ocean views reaching several of the main living spaces. Built in 1970, the home needs extensive updating throughout, but the layout is genuinely flexible room for a large family under one roof, a multi-generational setup, or a dedicated guest
