Rarely does a beachfront residence combine this level of renovation with such an exceptional setting. Perched on the 4th floor with unobstructed ocean views, 404 Leina'ala underwent a complete back-to-the-studs remodel in 2013-14, transforming the residence with an emphasis on quality, craftsmanship and timeless design. The interior features wide-plank American dark oak flooring, natural sandstone accents, custom cabinetry and architectural details throughout. The beautifully appointed kitchen was custom crafted by Maui Custom Woodwork
