This phenomenal opportunity on Ainakea Rd is something to embrace. A beautiful home in a prime location, with excellent construction, makes this a very sought after commodity. This well-built home has been restored to the time of the original owners, a retired doctor and his wife. The main living area upstairs features panoramic ocean views, year round sunsets, with the islands of Lanai and Molokai serving as a dramatic backdrop. Soaring ceilings in the living room along with open beams and natural light add to this Hawaiiana inspired home. A brand new split
