One of the Rare Oceanfront Positioned just 40 feet above the Pacific, this private oceanfront retreat captures the essence of Maui living at its finest. Tucked behind lush tropical landscaping, the property overlooks a stunning crescent-shaped white sand beach, naturally divided by a dramatic lava rock outcropping—an extraordinary setting that could not be duplicated under today's coastal regulations. Expansive oceanfront decks extend toward the horizon, creating a commanding vantage point with panoramic views from Makena to the West Maui
