This property will be COMING SOON status for 30 days. A singular property with an enduring sense of place, there is nothing quite like this quiet retreat on the West Maui coastline. Tucked away from view yet moments from the best of the Kapalua Resort, this rare oceanfront residence offers a level of privacy and craftsmanship seldom found today. Completed in 2019, it is far from an ordinary new build. Every decision reflects an owner who built with intention, choosing materials and details meant to age gracefully and feel as right decades from now as they do today.
