Cute little fixer upper and great starter home. Beautiful landscaping with many different fruit trees and flowers. Lots of old growth.

Home is a 1B/1B open ceiling home with a wrap around porch and deck in the front. There's a 1b/1b workshop with attached garage and a detached 2 car garage in the front of the property. Water catchment tank in the middle that services both units.

Located right on the top of the subdivision so No HOA or CC&r's. Great neighbors
