Great opportunity to get your hands on this recently renovated home in Nanawale! Featuring updated flooring with appliances replaced early this year 2022. Make this your starter home or next possible investment opportunity. Located on the corner of Hapuu & Priscilla you have your own piece of paradise. Nestled quietly towards the forested end of Hapuu Road, you currently only have neighbors on 2 sides. Off the beaten path from Nanawale Blvd, you won't find as much traffic coming through here. This tropical climate makes for excellent gardening
