The northeast Coast of Kauai white water views.

The ocean views from this location are defined by a mesmerizing 180-degree panorama that captures the raw, shifting beauty of Kauai's windward coast. Then you turn around to the dramatic views of iconic Kalalea (Kong) Mountain. Because the lot sits at an ideal elevation, you aren't just looking at the water; you are watching the Pacific's theater unfold punctuated by the consistent, rhythmic pulse of whitewater as waves break over the Aliomanu reef system.
