This condo type rarely comes available for sale in this complex. Highly desired as it is an end unit with no one above or below it. It has huge vaulted ceilings with this polynesian style architecture. This unit has been cared for as an owner unit, not renting the unit during the recent 10 years of proud ownership. Partially Furnished!! Living space as double slider doors to large, oversized lanai with fabulous pool and Ocean Views!!! Look out towards the ocean and unique coastal rock formation know as "The Alligator".
