It's all about the views. Build your dream house on this oversized corner lot that features an expansive view of the south coast of Ka'u from South Point eastward as far as you can see. If you grow tired of the ocean view then turn mauka and see the slopes of Mauna Loa rise above you in the distance.
This is one of the larger lots in Discovery Harbour at 16262 sq. ft. - larger than 1/3 acre - and is situated on the corner of a short dead end road near the makai edge of the development.
