An oasis of privacy, peace and serenity within a world class resort. This very special townhouse has the largest floor plan in the Islands with three master suites, one downstairs and two upstairs. Meticulously maintained and upgraded, never rented and furnished with designer furniture, it is a rare duplex end unit from which no other units can be seen, looking out over beautifully landscaping across the golf course to a spectacular Mauna Kea view. It offers a unique opportunity for maximum space and privacy in a complex that has almost half an acre of land per unit.
