sqft land listing price

Big sky country at a comfortable elevation with ocean views from this private yet easily accessible 14 acre lot! Property boundaries have been staked by a licensed survey company and are now clearly marked!

This parcel has a cleared driveway and an elevated housepad that overlooks the acreage. From a 2nd story home there should be sweeping 180' views of the ocean where these East facing views capture the spectacular sun and moon rises!

From this location, youre conveniently centered between a few minutes drive down
