Own a piece of history! Side-by-side lots partially covered with new lava from the 2018 eruption. They have enough buildable area to build one or two dream homes. One would have an unblock able view of the horizon. These two lots must be purchased together. The building land that remains on the lots appears to be fairly level. Currently there is new foliage and trees, which include palm and ohia trees on the lots.

Leilani Estates subdivision has CC&Rs, a clubhouse and private roads. Current
