This property is vacant land with 'a'a lava, ferns, other native plants & medium to large 'ōhi'a trees. Plenty of trees with big open spaces makes this particular lot easy to develop. There are views of the ocean through the trees during the day, from this beautiful, park-like setting. Amazing star gazing at night, dark enough to see the Milky Way! Warm days and cool nights. Overhead power is available via SSPP, or go off-grid with solar!

Convenience is key, with essential amenities just a short drive away. Down the hill,
