The Last Hawaiian Fishing Village. Milolii is an ongoing experience of Old Hawaii. Smaller beaches. Protected waters. Fewer people. Slower pace. Colorful sunsets. Lots of aloha. Not another city or town in sight. Just steps to the waves of the Pacific Ocean. There is no other place in Hawaii like it. What better place to build your home? Private, well maintained roads make access from the highway a breeze. The towns of Ocean View and Naalehu are a few miles to the south. Captain Cook and Kealahou are a little further north. Kailua-Kona is only a little
