

KONA DR

Land for Sale in **Kau**, Big Island | MLS **719673**

43,604 **\$27,000**
sqft land listing price

Exceptional acre in the lower 1/4 of the subdivision. On Kona between Tiki & Catamaran. Scattered old growth Ohia trees & other native plants. Best of all, SSPP electric is on the street & has been paid in full. Power lines are behind you, so they won't get in the way of a possible view. Should have a good Ocean view from the back of the lot. Ocean View is a growing rural community on the leeward side of the Big Island. Close to South Point. Still affordable land in Hawaii Nei! Come on down.
