You know what's located on 36th Ave? Not much, unless you like a lot of peace and quite because there is plenty of that. If you like peace and quiet, this is the place for you. Located on rural 36th Ave about mid-way between the roads of Laniuma Street and Pohaku Drive are two acres of paradise. That's what makes this location perfect for the rustic retreat built upon it. The lot itself is densely wooded with both rocky and grassy undulating terrain. There is an abundance of thick vegetation in the front of the lot, creating a wonderful screen at the road.
