Unique and highly desirable, single level, "Oahu" floor plan residence in Luahia Subdivision! This model was further enhanced and enlarged in 2014, making it now 2,000 sf of living. This 3 bedroom, 2 bath home features a spacious great room with a generous sized kitchen including a breakfast nook dining area. The new addition added an office off the primary suite via French doors and thoughtfully designed built-ins. Also enclosed is the previous lanai space, which created a cozy T.V. entertainment area. Transitioning from the new covered lanai
