Corner 1-Acre Lot with Ocean & Sunset Views – Ocean View, HI

Situated on a desirable corner location, this wide, 1-acre parcel offers partial ocean & coastline views including sunsets. Previously bulldozed and graded for a driveway and house pad, the layout is still visible, with only a few small trees that can be easily removed to restore the original site work. The land features rugged 'a'a lava accented by small to medium-sized 'ōhi'a trees, creating a classic Big Island landscape. Amazing star gazing at night, dark enough to see the Milky Way!
