Wide 1-Acre Lot with Partial Ocean & Sunset Views – Ocean View, HI
Situated on a desirable wide lot, this 1-acre parcel offers partial ocean views including sunsets. Previously bulldozed and graded for a driveway and house pad, the layout is still visible, with only a few small trees that can be easily removed to restore the original site work. The land features rugged ʻaʻa lava accented by small to medium-sized ʻōhiʻa trees, creating a classic Big Island landscape. Amazing star gazing at night, dark enough to see the Milky Way! Warm days and cool nights.
