Here is a rare residential alternative to owning an oceanfront home in Hawaii!! You enjoy the perks of living in an oceanfront setting, with over 2,500sf of living space, use of pool and spa, beautiful landscaping and covered parking, yet knowing it's secure when you leave and everything will be maintained and meticulously cared for in your absence!! The price is less than a single family home in the area, taxes are less, and it allows for short term rentability to help cover costs while you're away!
