Discover a unique chance to own a piece of "old Hawai'i" on Kaua'i's sunny South Shore. This property is a rare offering of nearly one acre, currently undergoing the final stages of the CPR process to be sold together as two separate lots.

The main home, a charmingly updated 1920s-era residence, is a true island classic. It features a spacious open floor plan and three bedrooms, all set on a generous 25,977 sq ft lot. Extensive renovations, including a new roof, floors, paint, and windows, have preserved its vintage character while ensuring modern comfort.
