sqft land listing price

Nice, forested, mid-subdivision parcel. Ocean views likely from up on lot where parcel slopes above street and surrounding parcels. Houses on corner lot; no other immediate neighbors at this time and once up on lot very private and peaceful. Ideal climate with warm, balmy days and cool, star filled nights. Local Town Center supplies all daily needs and big box stores are available in Kailua-Kona, the big town about 50 miles north. Great environment for comfortable country living.
