Your One Acre Canvas for Outdoor Living in Hawaiian Paradise Park. This property begins with a clear one acre lot, a true blank canvas for whatever outdoor lifestyle you envision. A brand new concrete driveway welcomes you, leading to a wide walkway and into a thoughtful design that prioritizes open air living. Instead of an enclosed garage, the builder created an open carport and wrapped the home with a continuous, covered concrete walkway. This design invites flow, functionality, and connection to the outdoors. The primary suite extends this vision with sliding doors
