Wow !!! That is the word for this hilltop cement/stucco home with incredible mountain/partial ocean views in Lawai. Lots of glass and surrounding second story lanais allow for incredible vistas to all sides of the home. The 4.66 acres of Agriculture zoned land could allow for another house and questhouse, but this potential should be verified with the Kauai County and your architects/builders . The home has just recently been painted inside and out, and upgraded with a new polymer roof and new skylights The home's interior features vaulted ceilings with
