This desirable 1/3-acre parcel is located along Hawi Road on Hawai'i Island and offers a rare combination of privacy, views, and build-ready features. A water meter is already in place, and selective tree removal has been completed to enhance views while maintaining natural screening from neighboring properties. Two sides of the lot border a large pasture, creating an open, private setting along Hawi Road. The flag-lot configuration provides separation from the road while preserving convenient access.
