sqft land listing price

Four Contiguous Acres at the Top of Ocean View.

Discover this unique 4-acre opportunity located near the top of Hawaiian Ocean View Estates. These four contiguous one-acre parcels offer wide-open views of South Point, the ocean, and the dramatic Ka'ū coastline. The terrain features an intriguing mix of smooth pāhoehoe and rugged 'a'ā lava — a geologist's dreamscape — with the first signs of native 'ōhi'a beginning to take root. Cooler elevation, and a beautiful vantage point make this an ideal location for an off-grid
