Live where the ocean meets the jungle on Kaloli Point in Hawaiian Paradise Park. The location feels unreal. It's quiet, private, and tucked in the sunbelt where you can often hear the ocean at night.

Recent updates include a new roof, fresh paint, rebuilt lanais, a new gated entrance, and a freshly graveled driveway. The water catchment system was cleaned and upgraded with a newer liner, cover, paint, quantum disinfection filtration, and a new water pump.
