sqft land listing price

Located on a vista with protected views overlooking preserved lands, you will find a more than 1.5 acre vacant lot in the coveted community of Princeville. This property takes in sweeping views of Hanalei Bay and its iconic mountains, 2,000 foot waterfalls, and a National Wildlife Refuge and allows for two homes set upon sprawling level acreage. It sits elevated over deed restricted adjacent home sites to the south and additional parcels to the west are also deed restricted to ensure the special views of this lot are protected, making this lot one of the most desirable
