This is a turn key combination of beauty and quality in a friendly oceanside community. Sitting at the end of a dead end street, adjacent to 600 acres of State owned preserve, the home combines beauty and function like few others. Seaview Estates is known for it's sunshine and proximity to Kehena Black Sand Beach, less than a mile away.

The house sits up high with a garage and utilities underneath and room for more finished space if desired. It feels like you are going up to a treehouse as you climb
