Perched 600+ ft above sea level in "The Heathers," this home feels like a hideaway where sunshine, ocean breezes and sweeping views meet serenity. Tucked away for privacy yet easily reachable, it hits the sweet spot between solitude and island living.

Sited on 3.26 acres, the single-level, 2,389 sf floor plan (built in 2009) was custom-crafted with designer-grade materials for its original owners:

\* Fleetwood pocket doors/screens opening to 24"
