Nestled on the Makai end of Waikoloa Colony Villas is your dream oasis. Slide in the back gate and you are there...a garden setting from your lanai without a neighbor's lanai to look at!

Walk in on the cool tile floors to be awed by the cathedral ceiling of the carpeted living room to your left and the cook's kitchen adjoining the dining room to your right. Take the door out the kitchen to the one car garage or go out the dining room slider to your lanai. The half bath off the entry hall is most convenient!
