Frank Lloyd Wright-esque home – Story told the home was developed as a tribute to “falling waters” with cantilevered construction above the seasonal stream. Situated on serene 1.268 acre landscape, adorned with mature trees a private winding driveway leads to a hill top masterpiece with unmatched privacy. The house is a harmonious blend of organic architecture and tropical landscape- Architectural layout is open and flexible with multiple spaces that can be used for different purposes. The 3-bed, 2.5-bath home features a distinctive circular design
