**\$14,000,000**  
listing price

It's rare to find a brand new, custom, contemporary beachfront home in Hawaii.

This beachfront residence offers a contemporary design shaped by its natural surroundings, with views of breaking waves, a clear reef, and dramatic mountain scenery. Fully air conditioned, sixteen-foot ceilings, hardwood floors, modern stone and contemporary finishes create a generous interior volume, while expansive Fleetwood windows and doors fill the home with natural light and create a strong connection to the outdoors.
