A true Kuleana... this extraordinary Old Hawai'i Homestead is tucked away in a secluded river valley. Being surrounded by conservation land makes this a rare hideaway, complete with "ye old swimmin' hole" ....an off grid Fantasy Island where dreams are alive. Amazing view of the valley and rocky cliff on the other side of the river. Many mature fruit trees on the land including but not limited to, mango, avocado, lychee, tangerine, eggfruit, jabong and jackfruit. Giant monkey pod tree ready for a custom kids tree house design.
