Savor the salty air while sipping Kona Coffee on your lanai overlooking the blue ocean at Sea Village in Kailua Kona. No noise overhead from the top floor, just the sound of the waves. Nearly new appliances blend in well with the turn key furnished sparkle of this upgraded vacation condo. Expanded lanai allows room for dining and lounging. There is an owner's closet where you can leave your island gear so you can fly in on short notice from wherever. Just one of many closets if you decide to make this your one and only, forever home.
