Location is everything, and this lot has it! A corner lot, just the 2nd street in on the main road with ocean view, a few short minute's walk to the shoreline, and priced to SELL!

Larger than the average lots in the subdivision, it's fairly flat and lightly wooded for easy clearing to build your dream home in sunny Kalapana.

Kehena beach is a mere 1.5 miles away, and in the winter months, the humpback whales come back on their annual migration.
