This is a leasehold property. Top-Floor Ocean View With Premier Location

Sitting on the top floor of one of the more intimate buildings at Kiahuna Plantation, this condo is all about the ocean. White-water views, steady trade winds, and the kind of setting that reminds you exactly why people fall in love with Kauai. The outlook is open—expansive lawn, palm trees, and the Pacific right in front of you—with direct access to the beach just steps away.
