Beautifully crafted and full of character, this exceptional home offers privacy, ocean views, and old Hawai'i charm in a highly desirable area of Ocean View. Built with old-growth Northern California redwood—naturally termite resistant—the home features a one-of-a-kind front door reclaimed from a 1905 Victorian home in Manhattan Beach. An impressive Tiki (The God of Light) greets you upon entry.

Inside, soaring ceilings and a spacious living area create an open, airy atmosphere.
