Desirable Kaloli Point: the enclave in Hawaiian Paradise Park where the sun shines brighter and the ocean is clearer. Everything seems better in this "neighborhood" within the neighborhood. Hiking, biking, and fishing are common in this area, away from the major roads. This gem of a lot located one block from the ocean is waiting for a home - with relatively flat terrain and sparse vegetation making it easy to envision just how you can use it. Build the home of your dreams. Grow your garden of choice to source your own food. The right balance of sunshine, rainfall, and
